

ACRP 14. Ausschreibung - Förderentscheidung 2021

Ifd. Nr.	Projekttitle	Kurztitel	Zuerkanntes Themenfeld	max. Förderung in €
1	Austria's path to climate neutrality: identifying a cross-sector integrated framework and incentive design, distributional and budgetary implications	INTEGRATE	Transformative change and governance	299.804
2	Identifying tools and methods to co-create a climate risk service for managing drought risk in Austria	CRISDA	Specific support for Austria's policymakers	299.951
3	Assessing the distributional effects of climate change impacts and adaptation in Austria, for just, targeted and efficient adaptation	DISCC-AT	Climate change in an interconnected world	299.759
4	Landslides in high-alpine environments – climate change impacts, exposure, and policy implications	CAUTION	Understanding the climate system and consequences of climate change	297.390
5	Household GHG footprints and Austrian climate policy: identifying leverage points for demand-side mitigation	FOCAL-points	Transformative change and governance	298.951
6	Linking NECP planning and reporting with project implementation at municipal level	transFORMAT-LINK	Transformative change and governance	299.975
7	Co-Creating future visions and transition pathways for the SDGs climate action, inequality and decent work and economic growth	SDGVisionPath	Transformative change and governance	292.049
8	Austria's climate neutrality: An in-depth evaluation of the potential contribution of CCU and CCS for the Austrian long-term climate goals	CaCTUS	Specific support for Austria's policymakers	293.179
9	Nature-based solutions to urban heat islands and their impacts on social equality	UrbanHeatEquality	Specific support for Austria's policymakers	299.131
10	STREAM: STorylines of Danube sTREAMflow – Assessing future streamflow for different atmospheric circulation responses to greenhouse gas forcing	STREAM	Understanding the climate system and consequences of climate change	277.119
11	GreenAdaptation - Adaptive capacities and resilience in urban and landscape planning	GreenAdaptation	Specific support for Austria's policymakers	299.560
12	Transformative SME Policy for Broad-Based Decarbonisation	Trans4MER	Transformative change and governance	246.991
13	Opportunities and challenges for wind power due to the effects of climate change	Wind4Future	Specific support for Austria's policymakers	299.970
14	Hydro power: iMPact on the ELecTricity sector in Austria due to Climate Change in glaciated high alpine areas	HyMELT-CC	Understanding the climate system and consequences of climate change	299.932
15	Drought Impact on Remobilization of water polluTants from river sediments	DIRT	Understanding the climate system and consequences of climate change	300.000
16	Aligning risks and coping appraisals to kick off local climate action	ACCORD	Specific support for Austria's policymakers	299.575
17	Blue-Green Infrastructure for Improving Resilience to Floods and Droughts in Alpine Cities	BlueGreenCities	Understanding the climate system and consequences of climate change	299.357
18	Establishing Climate-related Opinion-voicing and Political Participation via Online Learning and Interactive Scenarios	ECOPOLIS	Specific support for Austria's policymakers	299.349
19	Processed based climate model evaluations over Austria for informing the next generation of Austrian climate scenarios	PREVAL ÖKS NEXTGEN	Understanding the climate system and consequences of climate change	298.070
20	Mountain weather in high-resolution climate data: How will the new generation of ÖKS benefit from new emerging datasets?	HighResMountains	Understanding the climate system and consequences of climate change	299.897
21	Integrated Future Wildfire Hot Spot Mapping for Austria	Austria Fire Futures	Understanding the climate system and consequences of climate change	299.866
Summe Förderentscheidung				6.199.875,00
