

**ACRP 15. Ausschreibung - Förderentscheidung 2022**

lfd. Nr.	Projekttitel	Kurztitel	Zuerkanntes Themenfeld	max. Förderung in €
1	The good, the bad and the ugly: are beneficial mites threatened in apple orchards due to climate change and pesticides?	CliMiteApple	Understanding the climate system and consequences of climate change	294.970
2	Adverse weather and impact on renewable energy infrastructure - improved detection, prediction of climate change impact	EnergyProtect	Understanding the climate system and consequences of climate change	299.820
3	Interdependencies between exposure dynamics, mitigation measures and climate triggers affecting torrential loss events	EMERGENCE	Understanding the climate system and consequences of climate change	299.800
4	Environmental sources for mosquito surveillance	ESMOS	Understanding the climate system and consequences of climate change	299.830
5	Harvesting learnings from the use of ÖKS 15 in the Austrian decision making process to improve CS in Austria and beyond	Use.AT	Specific support for Austria's policymakers	296.960
6	Synergizing PV and Wind-Energy Infrastructure with Biodiversity Conservation	PV-Wind-Biodiv	Specific support for Austria's policymakers	115.020
7	Fostering federal climate policies via regionalized carbon footprints and scenarios using Input-Output Laboratories	RegIOLab	Specific support for Austria's policymakers	299.770
8	Strategies for the optimal bioenergy use in Austria from societies point-of-view – Scenarios up to 2050	BIOSTRAT	Specific support for Austria's policymakers	295.120
9	Major levers in climate change adaptation in Austria	A-levers	Specific support for Austria's policymakers	299.480
10	Creating incentives for deep transformative changes in the building sector	TransBuild	Transformative change	297.130
11	A Comprehensive Analysis of Future Residential PV Development in Austria	FutuRes-PV	Transformative change	299.920
12	Governance for Cohousing	GO4CO	Transformative change	299.930
13	Quantifying Qualitative Transformation Pathways towards Climate-friendly Living	Q2-PATHWAYS	Transformative change	339.940
14	Regional resilience based on ecological, economic and social knowledge and innovation in the Ötscher region	ROMI	Transformative change	222.850
15	Policy and governance of urban energy prosumption models – examining and co-visioning a social transformation process	UrbEnPro	Transformative change	260.870
			<b>Summe Förderentscheidung</b>	<b>4.221.410</b>
